

Dear Chairman Powell and Commissioners,

"Local public affairs programming is virtually non-existent--constituting less than one half of 1% of all local programming. More than half of news broadcasts prior to the 2002 elections did not include a single campaign story. Our democracy is at risk when many Americans don't know basic facts about the candidates or the issues, as was the case in the 2000 elections."

Don't any of you find this a bit disturbing??

Respectfully,
